

Richwoods High School
Peoria SD 150
Peoria, ILLINOIS

ILLINOIS
SCHOOL
REPORT
CARD

GRADES : 9 10 11 12

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION													
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	60.8	30.4	2.7	5.7	0.1	0.4	29.4	1.0	0.7	2.7	9.7	92.8	1,357
District	29.8	61.2	5.9	2.5	0.1	0.6	69.7	3.2	0.8	4.3	28.8	92.7	13,825
State	53.3	19.1	20.8	4.1	0.2	2.5	42.9	8.0	3.5	3.7	13.5	93.7	2,070,125

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil- Teacher Elementary	Pupil- Teacher Secondary	Pupil- Certified Staff	Pupil- Administrator

				TOTAL	\$166,503,198		

OTHER FINANCIAL INDICATORS				
	2006 Equalized Assessed Valuation per Pupil	2006 Total School Tax Rate per \$100	2007-08 Instructional Expenditure per Pupil	2007-08 Operating Expenditure per Pupil
District	\$98,937	4.48	\$6,518	\$11,398
State	**	**	\$6,103	\$10,417

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

ACT ASSESSMENT: GRADUATING CLASS OF 2009 *

The number and percent of students taking the ACT are no longer reported since virtually every eleventh grade student takes the ACT as part of the PSAE.

* Includes graduating students' most recent ACT Assessment scores from an ACT national test date or PSAE testing. Excludes the scores of students who took the test with special accommodations. State averages for ACT data are based on regular public schools and do not include private and special purpose schools.

	HIGH SCHOOL GRADUATION RATE												
	Gender			Race / Ethnicity						LEP	Migrant	Students with Disabilities	Economically Disadvantaged
	All	Male	Female	White	Black	Hispanic	Asian/Pacific Islander	Native American	Multi racial /Ethnic

State	87.1	84.5	89.7	92.3	76.7	76.8	94.0			63.1		78.1	76.6

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAE (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

PSAE PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the average scores and also the percents of student scores meeting or exceeding standards in reading, mathematics, and science on PSAE.

PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) - Average Scores

PSAE scores range from 120 to 200.

PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) - Percents Meeting or Exceeding Standards

Number of students in this school with PSAE scores in 2009: 268

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2008.

** Safe Harbor Targets of 70.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

RHS is not meeting AYP in overall math. We are also not meeting AYP in black and low-income reading and math. Those areas must be specifically addressed in our school improvement plan. We were able to show gains, some substantial, in several areas.

In math, the overall score increased 4.2% and the white score increased 7.7%. However, the economically disadvantaged and black scores both dropped 6.5%.

In reading, the overall score increased 1.2% and the white score increased 6.5%. However, the economically disadvantaged score dropped 8.9% and the black score dropped 11.7%.

Even though science is not an AYP subject area, analyzing the scores helps in our analysis of our programs. Our overall science score increased 9.2%, our white score increased 12.4%, and our black score increased 2.7%. Only our economically disadvantaged score decreased. That decrease was 4.1%.

Last year the main focus of our school improvement plan was to develop the foundation of a professional learning community. Establishing a clear understanding of the state of the school and focusing all stakeholders on the *mission of preparing our students for successful post-secondary lives* were both crucial for this foundation. The initial stages of creating clearly defined course objectives and common, valid assessments of student learning were also achieved. Furthermore, an ACT preparation program was initiated in all 11th grade math, reading, and science courses.

The data indicates that the plan is showing gains. This year we are instituting common objectives and assessments in several key courses. We will continue to expand this program throughout the school. We will also add the use of hand-held student response systems in many of our math classes to obtain immediate feedback of student learning.

We will continue to strengthen the academic environment, to focus on the primary mission, and we will continue the ACT preparation program. In addressing our decreasing economically disadvantaged and black scores we will use data to determine our “at risk” students. The use of our clearly defined objectives, common assessments, and hand-held student response systems will be focused on these students.

Planned Improvement for the District

Peoria Public Schools continues to work to provide the highest quality education for every student. Increasing student achievement continues to be the driving force behind all District initiatives. The District continues to develop strategies that meet the varied needs of students, families and the community at large. Strategies incorporated into the District Improvement Plan include focused professional development, review of reading curriculum, implementation of early math strategies, provision of early intervening services, introduction of co-teaching, and development of parent academies. Activities currently being implemented to increase student learning include:

- Focus on high school achievement through enhanced student support and increased learning opportunities
- Develop plans for closing Woodruff High School
- Implementation of Comprehensive System of Student Support
- Student centered instructional programs in content areas
- Universal Leadership Teams at each building
